## ANNIVERSARY SERVICES AT BOBCAYGEON

BOBCAYGEON, Nov. 1.—(Staff Correspondent)—Trinity Church, anniversary services Sunday last Monday, Oct. 28 and 29th, were given a religious and a social nature.

The church, which is decorated with flowers, plants and large ferns artistically arranged. The Presbyterian Church, evening service on Sunday was withdrawn to give its members an opportunity to attend.

Dr. Redick of Onnemeo United Church, and President of this Presbytery last charge of the Sunday Services and delivered very profitable messages morning and evening.

Well rendered anthems were delivered by the choir and soloists by Messrs. L. Moore, C. Parry and M. Lewis were very pleasing.

On Monday over five hundred were served at the delicious tea supper and at the members' social later in the evening, all did themselves credit.

A good program followed and served by singing hymns "All Hail The Power of Jesus Name" and "Praise to Thee, O Lord, Father of the Church." The choir sang "Ye Men of Harlots." Miss Amy Cook gave a humorous reading which pleased the people, at least they laughed heartily.

Rev. Howard brought greetings from Christ Church while Rev. Moore represented the Presbyterians. The trio by Messrs. Moore, Parry and Lewis were heartily applauded.

Dr. Redick of Onnemeo, special

speaker of the evening gave a very interesting address, dealing with the question, "Who Won the War?" "Where Will the Depression be Over?" and "What Will the Great Harbinger Do?" Dr. Redick explained the meaning of each question and answered them, summing them all up by the answer: "We as Citizens, Individuals and Churches, are responsible and with God's help can overcome all." Mr. Parry, organist, presided at the organ for the singing service and for all Monday evening's musical numbers. A fifteen cent social is being held Tuesday evening, and the sister, Mrs. M. Stewart and the organist, the first supper.

## Anniversary Services Held At Uxbridge

UXBRIDGE, Nov. 1.—(Staff Correspondent)—On Sunday, Oct. 28 and 29th, the Baptist Church held its 17th anniversary. The services both morning and evening were conducted by Rev. Mr. Schell of St. Mark's.

The church furnished delightful music during the morning service and in the evening the Markham Male Quartette gave several numbers which were greatly appreciated by all those who were present.

The anniversary supper which followed on Tuesday evening was all that could be desired and was largely attended. Following the supper a spiritual program was provided by the following artists: Rebecca male quartette, Miss Helen Crosby, reader, Master Frank

Robert young organist, soloist, soloist by Mrs. Schell and Miss Gladys Robinson.

# Red Cross Party

## At Wilberforce

WILBERFORCE, Nov. 10.—(Staff Correspondence).—The Red Cross Women's Association held their annual masquerade and dance on Halloween night. There was a good crowd of guests. The proceeds of the party were for the local boys' orchestra. The costumes were many and varied. Miss Helen Adams dressed in a queen old-fashioned costume and carried a shiny little period, won the prize for the ladies' fancy dress. Miss C. White won the ladies' costume prize. Mr. Robert Heffernan, an Indian Head, took the girls' fancy dress prize. Mrs. Brown, the girl's comic. The children's prizes were won by Thelma Macmillan, dressed as a princess; Madeline Brown and Ethel Tait, who both wore Chinese costumes. Lunches were held after which there was a draw for a large pot of gold. The winning ticket, Mr. Billy had the winning ticket.

## Cathedral Players Lose Twelve - Six

Both Teams Very Evenly Matched — Score Might Have Been 7-6 on Day's Play.

Though battered and bedragged, St. Michael's College youngsters advanced another round in the grueling Intermediate play-off of the O.H.A. by defeating Hamilton Cathedral, and standing at 2 to 0 victory over the Mountain City students at Varsity Stadium in Jim. Showen the team had played for in it a 8 endrock, and so does yesterday's struggle, that extended some thirty minutes.

On the play the score for the day might well have been 7-6, for it was only a ten-second run in the interval pass in the first twenty seconds of play that gave the Mounties their margin of seven victory.

Blocked kicks played an important part in the battle, changes in both wingsmen on booting formations being tried to first, one from and then the other, and all had parts that led directly to scoring.

As far as the interval play was concerned, St. Michael's had a considerable edge, but in the first period especially, they resembled their better halves at the O. H. A. and apparently forgot that there was such a thing as a single point in the Canadian system. On at least five occasions in the initial session, there were runs down for one point, but on each occasion they elected to pass for major with the score tied and none of their teams. On one brave they found the ball over Cathedral's goal line, but the back blocked it.

Cathedral's Sgt. Bernabeau Cathedral presented a strong team defensively, but they lacked sufficient power on the attack to make any winning chances. In the last half of the game, Laiten, their hothead, produced some of the best work of his career.

## Chalk Talk Concludes Practice

Team Now Feel Ready to Meet Burlington Battlers and Are Confident of a Win.

FINE SPIRIT SHOWN

A chalk talk will conclude the practice of the local gridlers in preparation for their big game at Toronto. Two practices were held on Monday and Tuesday evenings and all the players are in good shape for the crucial struggle. Coach Treese is confident that his boys will take a full out of the challenge and that they will have to be a close team in so. Two junior will make their appearance on Thursday on Thursday in the person of S. Gray and Ralph Gordon. Both these boys showed up so well that they carried a pass line.

**No Special Rate**

The team of Lindsay are solid behind the team as is evidenced by the numbers who have signed their intention of making the trip to Toronto. The special rate on the O.H.A. will be in effect as on a 7 definitely promised to make the trip. Those who wish to travel by train must pay the regular price. The majority of those from here have already arranged to travel by bus and the game will be well represented. The players will have plenty of social support.

**Sportsmanship Plus**

One of the College players gave a fine example of sportsmanship on Tuesday evening. The addition of one of the juniors on the team made it necessary to drop one of the substitutes from the lineup. There were three under consideration and Coach Treese decided to cut out to see who would be unable to play on Saturday. Len Johnston offered to drop out of the game in favor of the other two.

**Constitution For Teams Was Arranged**

WILL BE PRESENTED TO MANAGERS OF TEAMS NEXT WEEK—SUBJECT TO CHANGES

The Executive of the Town League will be meeting on Tuesday night and arranged a constitution that is presented to the managers of the teams at a meeting between the Executive and the managers to a held some time next week, but to be announced later.

The constitution will be read to the managers at this meeting and it will be discussed and possible changes made to best suit the requirements of the League. Many articles of the constitution are subject to the decision of the Executive and they may be changed by the conference between the Executive and the managers of the teams.

Considerable discussion on the matter of equipment to be purchased by the League was held and their decision will be presented to the managers of the teams at their discretion.

It is probable that two sets of the team's equipment will be purchased by the League as it was a saving would be made. On the other hand, it will be forced to purchase a set of their own.

**Next Week**

The meeting to be held next week a meeting with the managers of the teams will be the subject of that night. The managers are all requested to be present. The meeting will be held at the rink on Saturday.

Don Osborne has requested the text to announce that all players wanting to try out for the Junior hockey this winter must hand their letter of intention to him not later than Saturday. This matter has been left too late in other years and it is embarrassing to the club.

**Highways for Tourist Trade**

CANADA'S tourist trade is a continually increasing factor in the list of Canada's resources. Tourists entering Canada from the United States in automobiles contribute to the Dominion's wealth more than \$125,000,000 a year—sum greater than the total production of all Canada's four mills.

The building of good roads through Canada's scenic wonderlands is the first essential to attract motoring tourists. Canada's government officials, Canadian engineers and Canadian workmen have provided the foresight, the technical skill and the strong and ready arms to build good roads... to attract additional spending power from which all Canada benefits.

"Canada's Biggest Cook" now entering his twenty-second year of service in the development of Canada's resources, has been responsible for the care of the men at work on the highways. Working strengthening, satisfying food, providing modern, comfortable camps for the workers and relieving executives of commissariat details, Crawley and McCracken have played a vital part in augmenting national and provincial revenue. "Canada's Biggest Cook" is proud to be identified with the development of Canada's valuable tourist trade.

# Council Ask Government To Pay \$664.77 Owing By Halibut County

Nearly Ten Thousand Dollars Owed for Administration of Justice - Halibut County Hard Hit.

## UNFAIR SITUATION

The Victoria County Council in session on Thursday afternoon instructed Warren Hugh Handley and the County of Halibut to pay a petition to Premier Rebock, Attorney-General Hebert and the Council of the Canadian Municipal Alliance requesting the Council of Halibut County to fulfill its obligations under the act of 1913.

It is shown in the petition that the Fishward County of Halibut has been in arrears of its taxes since February, 1931, and owes the Province of British Columbia \$664.77. It is estimated in the petition that with the end of 1931, the Province of British Columbia will have defaulted upon its obligations under the act of 1913 for the three quarters in 1932, and for the three quarters in 1933.
